Subject Index

A
Acculturation, dietary patterns and, among Salvadorian immigrants, 233
Adult-type lactase deficiency, 134
African Americans, growth hormone levels in (Newsbreak), 75
Age-Related Eye Disease Study, 158
Agricultural biotechnology
  overview of, 120
  promise and politics of, 118
AIDS. See HIV/AIDS
Alcohol, health benefits of (Newsbreak), 74
Amenorrhea, female athlete triad and, 168
Antioxidant vitamins
  for connective tissue disease, 142
  current and future directions for, 214
  new dietary reference intakes for (Newsbreak), 116
Arthritis, dietary management of, 142
Ascorbic acid
  for connective tissue disorders, 142
  current and future directions for, 214
  new dietary reference intakes for (Newsbreak), 116
Atherosclerosis Risk in Communities, 158
Athletes, female athlete triad and, 168
Avocados, health benefits of, 151

B
Bad breath (Newsbreak), 5
Benchmarking, 89
Bioavailability, nutrient
  lipids and, 191
  proteins and, 187
Biomarker, double-labeled water as, for self-reported food intake, 40
Biotechnology, agricultural
  overview of, 120
  promise and politics of, 118
Body weight
  genetic and environmental influences on, 18
  postpartum management of, 175
Botanicals, databases for, 67
Branched-chain ketoaciduria, gene-nutrient interactions in, 22
Breastfeeding
  child mortality and (Newsbreak), 38
  HIV/AIDS and, 103
  postpartum weight management and, 175
Breath odor (Newsbreak), 5

C
Caffeine, as energy supplement (Newsbreak), 75
Calcium, increased absorption of (Newsbreak), 75
Calcium Exchanger 1 gene (Newsbreak), 74
Calcium intake, in vegan diet (Newsbreak), 4
Cancer
  folate levels and, 206
  soy protein and, 53
Cardiovascular disease
  alcohol and (Newsbreak), 74
  folate levels and, 206
  plant stanol esters and, 61
  soy protein and, 53
CAX1 gene (Newsbreak), 74
Childhood Obesity Prevention Initiative (Newsbreak), 74
Cholesterol
  plant stanol esters and, 61
  soy protein and, 53
Classic galactosemia, gene-nutrient interactions in, 22
Communication, in nutrition education, 196
Connective tissue disorders, dietary management of, 142
Consumer education, focus groups for, 47
Cost containment, resource management and, 89

D
